

CORPORATE PROGRAMS!

INTRO TO GOLF LEARN & PLAY

INTRO TO GOLF

60-90 Minutes - beginners/recreational

- Designed to help your group start their golf journey by learning the fundamentals and basics of the short game and long game
- Learn putting, chipping, pitching, irons, hybrid and driver in an all in one experience.

LEARN & PLAY

4 Week Program - beginners/recreational

- Three 60 minute skills learning sessions covering short game/long game fundamentals and technique
- One two hour scramble covering club selection, scoring, rules, etiquette & more!

TESTIMONIAL

"Natalie's coaching program was engaging and informative, providing the perfect environment for our group to build confidence and sharpen their golf skills. Her approach made everyone feel comfortable and supported, regardless of their experience level. I highly recommend Natalie's corporate team-building sessions as a great way to connect your team and develop new skills together."
